Location: 750 Grove Trail Southwest, Supply, NC 28462

Park Supervisor: Shannon Long

Cedar Grove Park is the newest addition to Brunswick County Parks. Located convenient to Supply, Shallotte, and Holden Beach, NC this park offers opportunities to enjoy nature, play, and have fun. This park is located directly behind Cedar Grove Middle School and is essential to the school because the parks fields are the schools main practice and leisure grounds.

The school uses the two tennis courts, basketball courts, multi-purpose and/or football or soccer field, and soft-ball fields during school hours and after for practice of teams and organized sports. This project is the first of it's kind in Brunswick County where two organizations maximum space, land, and facilities.

The public is also welcome to utilize the parks benefits, especially for sporting events, exercising, and relaxing in nature.
